7/17/67

Dear Jean and Dave,

Thy will be done! I'm on Jack's show the night of 7/26. I do not yet know all my plans. I have to see a New Orleans lawyer in Phila that p.m. I'll stay over at Glorias and do not know the rest. I phoned Ed Harvey's office this afternoon to ask for "fairness doctrine" time the next day. They demurred on the ground they do not like to follow anyone. I pointed out they refused me an opportunity to confront Roberts live and that they were very close to his other appearances in the area. We'll see. Don't know what at Ch 3 to ask.

If you have any ideas for any other exposure while I'm there, arrange it or tell me. I've heard nothing from Ohlbrich. Should I bring some more books with me?

Hurriedly,
